Backup your mnemonic phrase

Your account has a secret phrase of 12 words (called a mnemonic phrase) which allow anyone to import the account and spend your funds. So keep it secret! But keep it!

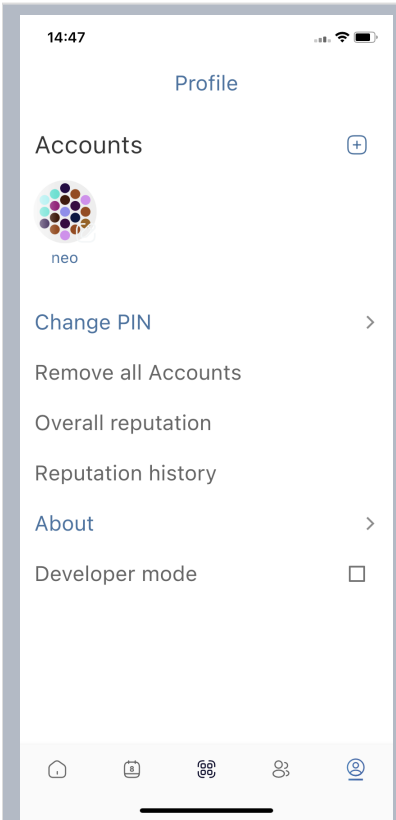

tap the "ooo" in the lower button and tap "export"

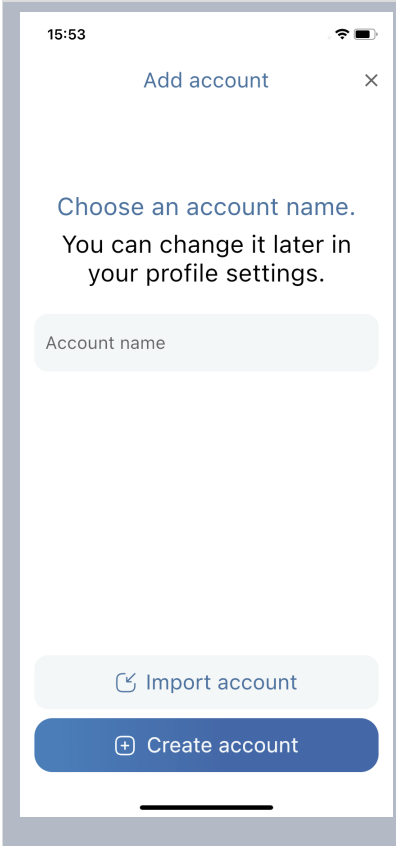

write down your 12 words and keep them safe

Restore an Account

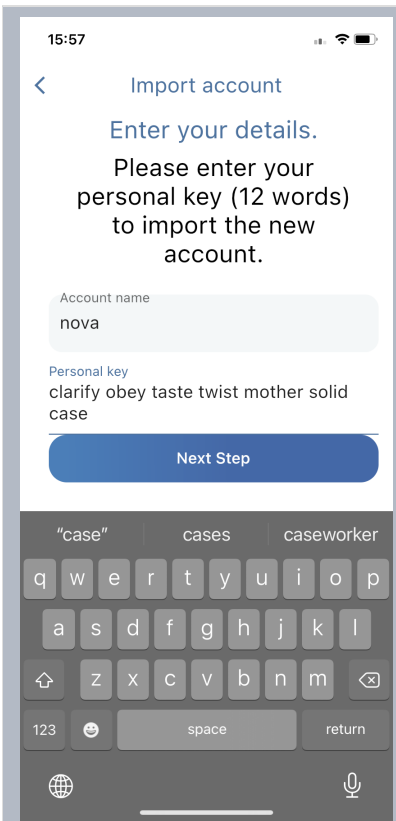

Whenever you'd like to swap phones or you lost your phone, you can recover your account with your mnemonic phrase

on the profile page, tap the  in the upper right and enter your PIN if requested

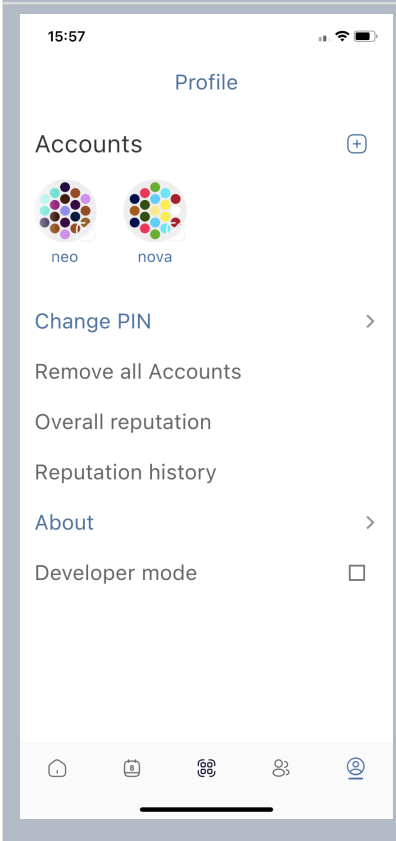

tap "import account"

enter a name and your 12 word mnemonic phrase

tap "next step"

et voilà, here's your recovered account, ready to be used
